PROFILE

I have 4+ years of experience in iOS development working as a passionate iOS developer, I create amazing applications to make the internet a better place. I am an advocate for app performance and accessibility. I am 27 years old and have been an iOS developer for as long as I can think. The technologies I work with are Swift and XCode IDE with a focus on the frameworks UIKit, UIFoundation and Autolayout. I use code not only to do my day-to-day job, but also to solve everyday problems I come across.
